

SPRING BREAK IDEA

DIY CHIA PET

MATERIALS

- a cool container or pot
- googly eyes & other crafting supplies
- soil
- seeds, chia, variety of grass, or other seeds you have on hand

INSTRUCTIONS

1. Pick out a cool container at The Bungalow or decorate your pot/container
2. Add the potting soil and pack it in almost to the top.
3. Sprinkle the seeds on the top of the soil, then add a little more soil on top.
4. Water well, watch and wait for the seeds to grow.
